RE: Soria City Water & Sewer Improvements and Installation of Sidewalks
Bids due 05-18-12

Bid Due Date Extension

1. Bids will be received by the City of Gulfport Procurement Department at 1410 24th Avenue, Hardy Bldg., 2nd Floor, Gulfport MS 39501, either by mail or hand delivery, until **10:00AM local time on May 25, 2012**. Promptly thereafter, the bids will be publicly opened and read aloud.

Questions/Answers

2. Why isn't the limestone quantity the same as the asphalt quantity?
The limestone quantity should be the same as the asphalt quantity.
3. The plan shows the water line from 17th street to the EOP being outside the street; however the cross section on sheet 6 shows it inside the street, which is correct?
The plan view is correct.
4. The bid sheet has residential water service by the lf; the specifications have it per each. Shouldn't it be per each?
It should be priced as "each".
