### IMPORTANT NOTICE

1. Please be advised that failure to submit a complete application, with all supporting documents, could **delay your hearing date**. The Planning Commission will not consider a request until all information is submitted and accurate.
2. Please be advised that the application deadline dates posted are designed to allow the staff time to review the application and receive required comments from coordinating agencies. The application is not considered complete until all required information from the applicant is available for review by the staff and coordinating agencies.
3. Please see page 5 to determine the deadline dates for filing your application.

### SUBMISSION REQUIREMENTS

- A. **Page one of this application, completed and signed.**
- B. **Proof of ownership** (Copy of deed or affidavit)
- C. If applicable, notarized proof of **authority to act as agent** for owner (board resolution, etc.)
- D. The City of Gulfport Planning Division Staff will notify, by letter, property owners adjacent to the requested action identified in this application using the Land Roll database from the County Tax Office. If you would like to have additional persons or property owners notified, please provide a list of **additional persons to be notified.**
- E. **Specification requirements.**

The final plat will be submitted in six black line copies in a sheet size no larger than **18 by 24 inches** and one copy no larger than **11 by 17 inches**. Where necessary, the plan may be on several sheets accompanied by an index sheet showing the entire subdivision. Two electronic versions of the general plan shall also be provided with the application in the form of an AutoCad .DWG file or .DXF 16-bit file.

Once Planning Commission Approval is received the following final plats will be provided prior to City Council Consideration: 2 copies Mylar, 1 copies Linen, 7 black lines.

### The final plat shall contain the following information:

- ***Location map.*** A diagram showing the location of the proposed subdivision.
- ***Survey data.*** Primary control points, approved by the city engineer, or descriptions and ties to such control points, to which all dimensions, angles, bearings and similar data on the plat shall be referred; the boundary lines of the subdivision, right-of-way lines of streets, easements and other rights-of-way, and property lines of residential lots and other sites, with accurate dimensions, bearings or deflection angles, and radii, arcs and central angles of all curves; the location and description of monuments, according to state law; and statement of the closure error.
- ***Miscellaneous data.*** Notations giving scale, (true) north arrow, and date of final plat.
- ***Streets.*** The name, right-of-way width and location of streets and other public way.
- ***Lots and blocks.*** Identification by letter of each street and by number of each lot in each block.
- ***Nonresidential sites.*** The purpose for which sites, other than residential lots, are dedicated or reserved.
- ***Utilities.*** The location and dimensions of any utility rights-of-way or easements.
- ***Easements.*** The location, dimensions and purpose of any other easements.
- ***Building setback line.*** Minimum building setback line on all lots and other sites.
- ***Adjoining land.*** The names of recorded subdivision plats of adjoining platted land by record name, date and number; the names of record owners of adjoining unsubdivided land.
- ***Certificate of owner.*** Notarized certification by the landowner of the adoption of the plat and the dedication of streets and other public areas.
- ***Certificate of survey.*** Certification by the registered professional engineer or land surveyor that the plat represents a survey made by him, that the monuments shown thereon actually exist as located and that all dimensional and other data are correct.

## STORM WATER REQUIREMENTS

- **Approvals.** Space for certificates of approval of the planning commission, the city engineer and the county health officer, where such approval is called for by these regulations. The certificate of the city engineer shall state that the subdivided Has complied with one (1) of the following alternatives:

a) A bond or certified check has been posted, which is available to the city and in sufficient amount to assure such completion of all required improvements;

OR

b) All improvements have been installed in accord with the requirements of these regulations and with the action of the Planning Commission in giving tentative approval of the general subdivision plan.

- **Flood zone designations.** The location of all flood zone designations as shown on the latest Flood Insurance Rate Map.

F. **Attendant items:** The final plat shall be accompanied by the following items:

- **Protective covenants.** The protective covenants in form for recording.
- **Engineering plans.** The cross sections and profiles of streets showing grades approved by city engineer. The profiles shall be drawn to city standard scale and elevations and shall be based on a datum plane that is mean gulf level.
- **Conveyances.** A conveyance to the city by fee simple or by easement of land set aside for parks, recreation area or other public use, such conveyance to be without reservation of right except for restriction that land is to be dedicated only to the specified purposes.
- **Abstracts.** An abstract of title disclosing a good and merchantable fee simple title in the landowner. A title insurance policy may be substituted for the abstract if specifically approved by the Planning Commission.

G. **Cash or check** payable to the City of Gulfport in the amount of **\$175.00 plus \$5.00 for each lot.**

Mississippi Department of Environmental Quality requires the issuance of Storm Water Permits in accordance with the provisions of the Mississippi Water Pollution Control Law (Section 49-17-1 et seq., Mississippi Code of 1972).

There are currently two types of permits: 1) Small Construction Activities that Disturb One (1) Acre to Less than Five (5) Acres; and 2) Large Construction General Permit (five (5) acres or more).

If you are not familiar with these requirements, our office has available the referenced permit packages. Our office does not issue the permit. We do require that any individual , partnership, company, corporation, etc., that is requesting the issuance of a building permit , tree permit, or any type of action from our Planning Commission or Zoning Board of Appeal and Adjustment, which has been identified and applies to the Mississippi Water Pollution Control Law, be provided with and acknowledge receipt of the Small Construction General Permit Packet or Large Construction General Permit Packet, before final action can be taken by this Department.

If you need additional information on these permits, please contact Mississippi Department of Environment Quality (MDEQ) at (601) 961-5171 or [www.deq.state.ms.us](http://www.deq.state.ms.us).
