IMPORTANT NOTICES

1. Please be advised that failure to submit a COMPLETE application, with all supporting documents, may **delay your hearing date**. The Planning Commission will not consider a request until all information required by Ordinance and this application is submitted and accurate.
2. Please be advised that the application deadline dates posted are designed to allow the staff time to review the application and receive required comments from coordinating agencies. The application is not considered complete until all required information from the applicant is available for review by the staff and coordinating agencies.
3. Please see page 7 to determine the deadline dates for filing your application.
4. Please be advised that, at the hearing on your application, you will be **required** to demonstrate, by **clear and convincing evidence** placed in the record before the Planning Commission, at least one of the following:

That there was a mistake in the original zoning (“mistake” has been determined by the Mississippi Supreme Court to be a “mistake” of a clerical or an administrative nature, not a difference in judgment) OR

That the character of the neighborhood has changed to such an extent as to justify reclassification, AND that there is a public need for rezoning.

The following are types of proof that the Mississippi Supreme Court (*Board of Aldermen, City of Clinton v. Conerly*, 509 So.2d 877 (Miss. 1987) and *Thomas v. Board of Sup’rs of Panola County*, 45 So.3d 1173 (Miss. 2010)) has suggested would be appropriate to be placed in the record to demonstrate the required change to the character of the neighborhood and public need:

- 1) Map showing the circumstances of the area (Conerly)
- 2) The changes in the neighborhood (Conerly)
- 3) Statistics showing a public need (Conerly)
- 4) Maps showing a change or recent rezoning in the area (Thomas)
- 5) Statistics or other evidence of growth in the neighborhood (Thomas)
- 6) Charts showing the quantity of construction (Thomas)

The foregoing is not an exhaustive list and is provided merely for guidance. The City recommends that an applicant for rezoning seek legal counsel as to what evidence the applicant should place in the record, during the hearing before the Planning Commission, in support of the application for rezoning. Neither the City of Gulfport nor its employees can provide an applicant with any legal advice.

APPLICATION REQUIREMENTS

- A. **Page one (and two, if applicable) of this application, completed and signed.**
- B. **Proof of ownership** (Copy of deed or affidavit)
- C. If applicable, notarized proof of **authority to act as agent** for owner (board resolution, etc.)
- D. The City of Gulfport Planning Division Staff may notify, by letter, property owners adjacent to the requested action identified in this application using the Land Roll database from the County Tax Office. If you would like to have additional persons or property owners notified, please provide a list of **additional persons to be notified.**
- E. **Provide a written statement addressing the following reasons for your rezoning request:**

The Comprehensive Zoning and SmartCode Ordinances, including the zoning map, are based on comprehensive planning studies and are intended to carry out the object of sound, stable and desirable environment. It is recognized that casual amendment of the ordinances would be detrimental to the achievement of that objective. In order to change the zoning classification of a piece of real property, Mississippi law requires that one of the following be demonstrated by the applicant by **CLEAR AND CONVINCING EVIDENCE:**

- 1. That there was a **mistake** in the original zoning (“mistake” has been determined by the Mississippi Supreme Court to be a “mistake” of a clerical or an administrative nature)
OR
- 2. That the **character of the neighborhood has changed** to such an extent as to justify reclassification, AND that there is a **public need** for rezoning.

F. The following items must be addressed in a written statement when you are requesting an amendment to the Comprehensive Zoning Ordinance or SmartCode Ordinance:

1. **Interest:** The applicant's name, address and interest in the application, and the name, address and interest of every person, firm or corporation represented by the applicant in the application; the name of the owner or owners of the entire land area proposed to be changed in classification or to be included within the proposed district; the name of the owner or owners of all structures then existing thereon and sufficient evidence to establish that the applicant has the right of possession to the land area and structures; the names and addresses of all owners of adjacent property (exclusive of the width of intervening streets, alleys or bodies of water);

2. **Development Schedule:** The time schedule for the beginning and completion of development planned by the applicant in the area; if the development is planned in stages, the time schedule shall indicate the successive stages and the development planned for each stage;

3. **Effect of Amendment:** A report giving the nature, description and effect of the proposed amendment; if the proposed amendment would require a change in the zoning map, a description of the probable effect on the surrounding land uses and properties; and

4. **Error:** The error in the zoning ordinance that would be corrected by the proposed amendment; if the intent is to correct an error.

G. Cash or check payable to the City of Gulfport in the amount of \$175.00.
