BRICKYARD BAYOU DRAINAGE IMPROVEMENTS PUBLIC MEETING

(Gulfport, Miss)— Dear Property Owner or Resident:

The Engineering Firm Brown, Mitchell & Alexander, Inc. is assisting the City of Gulfport with planning, engineering and permitting of drainage improvements along Brickyard Bayou from 8th Avenue upstream to U.S. Highway 49. In an effort to advise property owners, resident and interested parties and to receive input from these individuals, a public meeting will be held Monday, January 5, 2015, from 4:00p.m. until 7:00p.m.(including a brief presentation beginning at 6:00p.m.) at the New Jerusalem Baptist Church, located @ 3302 23rd Avenue in Gulfport, Mississippi.

Member of the firm along with representatives of the Gulfport Engineering Department and other City officials will be present. Your participation, comments and questions are highly encouraged. We thank you for your participation, Gulfport Engineering & Public Works (228) 868-5815
