A FUN, SAFE PLACE FOR KIDS...

About Us

Gulfport PAL is a youth crime prevention program that utilizes educational, athletic and recreational activities to create trust and understanding between police officers and youth. It is based on the conviction that young people - if they are reached early enough - can develop strong positive attitudes towards police officers in their journey through life toward the goal of maturity and good citizenship.

The Gulfport PAL program brings youth under the supervision and positive influence of a law enforcement agency and expands public awareness about the role of a police officer in the local community and reinforces responsible values and attitudes instilled in young people by their parents.

Studies have shown that if a young person respects a police officer on the ball field, gym or classroom, the youth will likely come to respect the laws that police officers enforce. Such respect is beneficial to the youth, the police officer, the neighborhood and the business community.

Athletics

After-School participants will be able to participate in numerous sports athletic activities supervised by Gulfport Police Employees and other staff. Athletics are a way for children to learn teamwork and fellowship.
