Chief Alan Weatherford today announced that:

Case #: 10-013583

On April 19, 2010, at approximately 12:25 p.m. Gulfport Police Department responded to the area of Hwy 90 and Tegarden Road in reference to a crash (over turn) with injuries. The initial investigation determined that John Thomas Schmidt of Gulfport was operating his GMC Jimmy east on Hwy 90. Schmidt's vehicle struck the curbing of the center median and over corrected his steering. As a result, Schmidt's vehicle flipped onto its roof and slid to rest in the east bound lanes of Hwy 90 west of the Tegarden Road intersection. Schmidt received treatment from medical personnel while on scene and was not transported to any medical facility.

The crash is still under investigation by the Gulfport Police Department.
