Dear Robert,

It is with great pleasure that I inform your agency of the action of the APWA Accreditation Council on this day to award Full Accreditation to the Engineering Department for the ensuing four-year period. The City of Gulfport becomes the 118<sup>th</sup> agency to achieve Accreditation.

You and each member of your agency are to be congratulated for expending the time, effort and resources to complete the Accreditation process.

We trust you have found great benefits from working through the Management Practices and that each member of your department will continue to feel a sense of pride at having completed a job well done. Enclosed you will find your site visit results. Also enclosed is a CD with the APWA Accreditation logo for your use in promoting your Accreditation.

Once again, congratulations on a job well done.

Sincerely,
