### Total Approved Budget

Source	Amount
Gulfport- 2014 Bond Issue	\$ 200,000.00
Gulf Regional Planning LPA Funds	\$ 248,265.00
<b>Total</b>	<b>\$ 448,265.00</b>

### Project Scope:

There were 111 crashes along Airport Road researched, including zero (0) fatalities and 28 injury crashes. The pavement is adequately wide, but is showing signs of aging as it was last paved in 1997. Proposed improvements include trench widening and overlay treatment with rumble strips, new pavement markings, and raised pavement markers along the centerline, guardrail improvements, and improved signing. Harrison County became the lead agency for administration of this safety improvements project using funds from Gulf Regional Planning Commission. Gulfport shall pay the local matching costs.
