

HATTEN LANE SEWER IMPROVEMENTS

Ward(s): 7
Project Manager: Gulfport Department of Engineering - Phone (228) 868-5815
Engineer: A. Garner Russell & Associates - Derrick Bullock, Phone (228) 863-0667

Total Approved Budget

Source	Amount
Gulfport- 2014 Bond Issue	\$ 800,000.00
Total	\$ 800,000.00

Project Scope:

Hatten Lane area is experiencing sanitary sewer overflows. There is a 12-inch gravity sewer main at Hatten Lane which extends from the 18-inch gravity interceptor at Tara Hills area. During the preliminary study phase, it was noted that the sewer main not graded properly.

This project intends remove and replace the existing sections of the sewer pipe to restore the proper capacity.
