

City of Gulfport, Mississippi

Dedeaux Road–Three Rivers Road to DeDe Drive Widening Project

Project Information:

This project is designed to widen Dedeaux Road from two (2) lanes to four (4) lanes from the intersection of Three Rivers Road eastward to DeDe Drive. This will include a median, sidewalks, streetlights, drainage improvements, and utility adjustments for approximately 3,000 feet.

The total project cost is estimated to be \$6.066 Million. The Federal Highway Administration is contributing approximately \$4.8 million dollars of the total project cost. These funds are administered through the Mississippi Department of Transportation and the Gulf Regional Planning Commission with a 20% local match from the City.

Engineering Firm:

Mississippi Engineering Group (MSEG)

Contractor: Moran Hauling, Inc.

Contract Time: 151 Working Days

Construction Cost: \$5.4 Million
