\*There is no network of preferred dental providers for the City of Gulfport Dental Plan. SAS reimburses dental providers at the SAS Dental Fee Schedule, which may be less than the amount charged by your dental provider. The SAS Dental Fee schedule amount will be used to calculate coinsurance amounts. The member is responsible for the deductible, coinsurance, and any balance over the SAS reimbursement. If you have questions concerning this policy, please contact SAS prior to receiving your services.
