## **SAS Preferred Dental Provider Directory 2020**

SAS Preferred Dental Providers agree to accept the SAS dental fee schedule amount for services covered under the member's dental plan and promise not to balance bill the member. The member is responsible for their deductible, coinsurance, any amount over their annual benefit limit, and all charges for services not covered under their dental plan. If your dentists are not listed, you may wish to suggest they contact SAS Provider Relations for more information.

The participation of the providers listed in this directory is accurate as of the date it is printed, however changes can occur daily. Always check with the provider's office before having services rendered or contact SAS to verify the provider's current participation.
